Dear Mr Humphries,

I would like to congratulate you, your staff and your pupils for the very high level of progress pupils in your school are making.

Your school's results, as published on 15 December, show that your school is amongst the top 3% of schools in England in terms of the progress your pupils make between key stage 1 and the end of key stage 2 in English reading, writing and mathematics.

We want to ensure that every child has the necessary fluency in reading, writing and mathematics to prepare them for a successful secondary education and beyond, and your school has provided this.

Thank you for your hard work and professionalism in producing such high standards and congratulations again to you and your staff for all you have achieved.

With best wishes.

Yours sincerely,

Nick Gibb MP
