An exciting opportunity has arisen in our school due to our expanding provision for children with special educational needs. You will be working across the school supporting all aspects of children's learning, working with small groups of children and/or working intensively with children who have physical disabilities, specific learning and/or emotional and behavioural difficulties. We are an additionally resourced mainstream school that provides for children with physical disabilities and autism and previous experience of working with children with Autism is highly desirable.

A good standard of education (minimum NVQ L2 or equivalent) is required and relevant experience of working with children is essential.

Kentish Town CE School is committed to safeguarding and promoting the welfare of children and young people and expects all staff, volunteers and external agencies to share this commitment. The successful candidate will be subject to a DBS (CRB) check.

Closing date: Monday 26th June 2017
Interview dates: Wednesday 28th June 2017
