# Kentish Town CE Primary School Newsletter

Issue 10

Thursday 8th March 2018

[www.kentishtown.camden.sch.uk](http://www.kentishtown.camden.sch.uk)

Dear Parents and Carers,

## Diary Dates

### **Friday 23rd March 2018**

Eggmobiles - 9.15am and 10.30am

#### **9.15am**

Acorns  
Ash  
Cedar  
Chestnut

#### **10.30am**

Oak  
Willow  
Sycamore  
Beech

Easter Hat Parade 1.30pm

Wednesday 28th March - Easter service at St. Benets - 9.45am

Thursday 29th March - Wider Opps Music Assembly - 9.45am

Thursday 29th March - Term ends at 1.15pm

Please see the instructions and rules for the Eggmobiles at the end of the Newsletter. Any questions, please speak to your child's classteacher.

### **Bollywood Evening - Thursday 15th March**

On Thursday 15th March our Bengali community and Jahanara are organising a Bollywood Evening. There will be superb food, music and dancing in the hall. Everyone is welcome—tickets can be purchased from Jahanara. This is sure to be a superb evening!

### **Packed Lunch Day - Wednesday 14th March**

On Wednesday 14th March, so that the kitchen can be used for preparation for the Bollywood Evening, **all children should bring in a packed lunch please.** The children will eat in the hall as normal but on this one occasion, your support would really help the parents organising the event on the 15th. Thank you.

With best wishes,

Daniela Rader

Assistant Headteacher

# MOTHERING SUNDAY

at St Benet's Church, Kentish Town.

Sunday 11<sup>th</sup> March 2018.

**11 am: Mothering Sunday Service.**

You are invited to join us on **Sunday 11<sup>th</sup> March** as we celebrate Mother's Day. The choir of Kentish Town CE Primary School will sing as part of our Mothering Sunday service in celebration of all those who love us, and especially our mothers.

During our service of thanksgiving, all parents will receive the traditional gift of a bunch of flowers to thank them for the gift of their love and care.

[www.saintbenets.org.uk](http://www.saintbenets.org.uk) Tel: 020 7284 3728

### Acorn Class

In acorn class we have been enjoying designing and setting up our own coffee shop. Please come and visit us for a babychino! We are really enjoying taking on the role of baristas and making drinks and snacks for our friends. We have even been to visit some of our local coffee shops for inspiration and have been building our own coffee machines. We have also been enjoying the story we're going on a bear hunt and have had lots of fun using our senses to explore the story.

### Oak Class

There have been fishy goings on in Oak Class this week as we get to grips with the story of The Singing Mermaid. We have been observing, painting, writing about and then dissecting real fish - we were amazed to see their tiny teeth and tongues! Then we had a lovely trip to The Little Angel to see a puppet show of the story. Next week, Sam Sly's circus is coming to town....!

### Willow Class

This week, Willow Class have enjoyed exploring the concept of revenge linked to The Winter's Tale and thinking of ways King Leontes wanted to punish Polixenes. They also performed excellently with the OAE in their musical concert.

### Ash Class

Ash Class have been practising extremely hard this week for their assembly. We are performing the story 'Giraffes Can't Dance', however have changed it to 'Giraffes CAN Dance.' Everyone has been making sure they are more like Gerald the Giraffe and always have a go and never give up if something seems too tricky.

### Cedar Class

Cedar class have been learning to be super scientists recently with our trips to the Science Museum and Hampstead Heath. We are now budding experts in both soils AND forces! We've also put on our poetry hats and written poems of magical things that may fit in mysterious boxes. When we've not been busy being poets, we have been museum curators for our Ancient Greek pop-up museum!

### Chestnut Class

Chestnut Class were able to bring all of their wonderful learning to life with an amazing class assembly all about WW2. The children then went on to explore the Churchill War Rooms. They learnt lots about the Prime Minister and the location from where he made some very difficult decisions during World War Two. In maths, Chestnut Class have been learning about square and cube numbers and they have been converting between different units of measure. They have also been using this knowledge to solve various problems.

### Sycamore Class

Last week Sycamore Class had a thought-provoking trip to St Paul's where children tried on Bishops' robes and learnt the difference between a cross and a crucifix. In English we have written playscripts around the story of Persephone while in maths Sycamore Class has been investigating division. Meanwhile, as part of our science topic on electricity, we have been building circuits. We also had an inspirational open afternoon enjoying the amazing Ancient Greek projects the children had created and finding out all sorts of interesting things about life in Ancient Greece.

### Beech Class

Beech class have enjoyed continuing to read Shackleton's Journey & last week wrote home letters from the sailors to their families.

In science, they've enjoyed starting their new topic on Evolution!

Happy Birthday to all those children who have  
a birthday in March.

Elise

Astrid

Samit

Ned

Medina

Aleenah

Theo

Harvey

Joseph

Aman

Felix

Fateha

Malaika

Laqaun

## **AFTER SCHOOL COMMUNITY CYCLING**

Currently Camden offer four **drop in** After School Cycling sessions.

The sessions are **free** and are open to ages 3 to 93 so toddlers, children and adults can all learn to ride a bike.

Mondays - Cumberland Market Pitch - 4.15-5.45pm

Tuesdays - Outside Edith Neville School in Somers Town 4.15-5.45pm.

Wednesdays - Clarence Way Estate (between Kentish Town Road and Castlehaven Road) - 4.15-5.45pm.

Thursdays - Richard Cobden School, Camden Street - 4.30-6.30pm.

Parents sign a consent form for each child.

**For more information pls contact: [Ben.Knowles@camden.gov.uk](mailto:Ben.Knowles@camden.gov.uk)**

**Friday 9 March  
3.30pm to 5pm in school**

**Free fun, music, games,  
crafts, worship and food**

**All welcome  
Kids – please bring an adult  
in order to sign up.**

**Meet outside science room.**

## Egg Mobile Rules

1. The egg mobile must carry a chicken's egg.
2. The egg must be hard boiled.
3. The egg mobile is to be designed and built out of school.
4. As far as possible, the egg mobile must be made without help from grown-ups.
5. You may work on your own, in a pair, group or family, but the egg mobile may only be entered for one class race.
6. Each egg mobile will have an independent run on the course.
7. No mains electricity may be used to power or move your egg mobile.
8. Batteries are allowed.
9. No living creature may be used as an egg mobile.
10. If the egg mobile uses its own source of power, it will be released from a slope. If it uses another source of power e.g. air, battery, it will start from a flat surface.
11. Once your egg mobile leaves the start, you may not push it, pull it, control it or re-start it.
12. Please do not use glass in your design.
13. Each class has their own race. There are 3 winning categories for each class:
  - The most beautifully decorated
  - The most original design
  - The greatest distance travelled
14. The judge's decision is final.

If you need advice about your egg mobile or a piece of equipment that you don't have at home, please ask a teacher.

**GOOD LUCK! GOOD LUCK! GOOD LUCK! GOOD LUCK!**
