Dear Parents and Carers,

Welcome back!

It was so lovely to see you all this morning looking so well rested after a lovely summer. The children have been great today and they are clearly looking forward to learning and achieving lots in 2018-19.

Meet the Teacher Meetings

Meet the teacher meetings will be at 9am after drop off on the following dates:

- Monday 10th September—Ash and Willow classes
- Tuesday 11th September—Cedar and Sycamore classes
- Wednesday 12th September—Chestnut and Beech classes

The meetings will last approximately 30—40 minutes and will be an opportunity for you to meet your child/ren's new teacher/s, talk through their expectations and ask any questions. **Please try to attend.**

Oasis Development

The garden area outside the Treehouse (club room) will be undergoing development from Monday of next week. The space will then be open to the playground and will include decking and a safe cover for the pond, enabling the children to use it every day for playing. The area will be fenced off from Monday 10th September and a small area of the Safari (infant) playground will be used to store materials. Watch this space!

Class Assemblies and Class Teas

As in previous years, classes will each have two class assemblies and two class teas per year (excepting Beech class). These assemblies and teas will be spread across the three terms this year instead of in the autumn and spring terms. This will allow our younger children to settle, lighten the load on children and staff and make the occasions more enjoyable for all involved. Class teachers will confirm dates in their class letters so you can book time off work and come along to support!

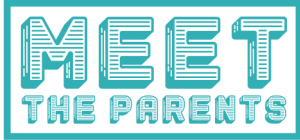

Entrance To Nursery

In order to avoid congestion behind Oak class during the Oasis building work, **Acorns (nursery parents) should please drop off and collect by following the path in front of nursery.** Many thanks for your help with this.

With best wishes for the new school year.

Supporting schools in the community

Our annual Meet the Parents event will be on Wednesday 12th September at 1800-1900. Families from the local state secondaries will be here to give you the most up-to-date information about their school experience. Parents from all year groups are welcome at this invaluable event, where you can ask any questions you want and also talk privately to panellists afterwards. We will have representation from Acland Burghley, Haverstock, Parliament Hill and William Ellis schools. To find out more, go to www.meettheparents.info

Look forward to seeing you there.

Happy Birthday to the following children who have a birthday in September.
