Issue 6: 14th January 2020

Dear Parents and Carers,

Welcome back and Happy New Year!

It has been great to welcome the children back this term. They have settled back in so well after the Christmas holiday.

Foxlease Payments

This year's Foxlease trip has been added to Parentpay so you can make instalment payments or pay for the whole trip. Did you know that parents of children in Years 3 - 5 can also start making payments to spread the cost? You can - check it out!

Come Dine with Your Child/ren

From Monday 20th - Friday 24th January, parents are invited to book a lunch and eat with their child if they would like to. This will give you an opportunity to sample the food prepared by our kitchen team and to see how the lunch hall works. Please see Pam if you are interested. There will be a maximum of 10 parents per day. Please note that while parents and carers are welcome in the lunch hall, you should leave when your child finishes their lunch.

Challenge Partners Quality Assurance Review 22nd - 24th January

Next week we will have our annual review from Challenge Partners. This means an external reviewer along with two senior leaders from other schools will work with our staff to assess the quality of our provision. We actively seek this challenge and of course I will share the report once it has been shared with school staff.

Year 6 Breakfast Club

This year we are running a Breakfast Club just for Y6 children. It will run in the Children's Kitchen (off the main hall) each morning and any children in Y6 are welcome to attend. We understand that children really need to have had a good breakfast to set them up for the day - and to maximise their learning. Please encourage your child to attend.

Phonic Bugs

Children in Oak and Ash classes will soon have access to some new reading books. These books are colour banded (as most of our scheme books are) but they are also linked to the phonics which your children are being taught. Most of the books are in traditional format but there will also be titles available in online versions. Kate B and Issie will host a coffee morning soon to let you know more about how things will work. We are looking to boost our reading standards even further by linking the books to phonics.

The staff and I look forward to working with you this term.

With best wishes,

James Humphries

Dear Parents/ Guardians,

Do you know a girl aged 5-18 who loves fun, adventure and making new friends? Girlguiding could be for her!

Girlguiding (Rainbows, Brownies, Guides and Rangers) units in Gospel Oak and Kentish Town have spaces! We learn new skills, help in our community, enjoy nature, go on camps/ holidays and much more!

Our units are run by volunteers, meet on weekday evenings, with some weekend activities- as a volunteer run organisation the cost of activities is very reasonable!

To find out more, visit: <https://www.girlguiding.org.uk/> or contact guides7thstpancras@live.co.uk

Best wishes,

Tash

Foxlease 2020

Many thanks to those of you who have paid in full or have started to pay in instalments!

The trip to Foxlease is in the week of the 15th - 19th June and we hope to take all year 6 children on the trip. The cost for the week is £375 or £225 if your child is/ has ever been entitled to Free School Meals.

We fundraise by:

- Hosting a Foxlease fundraising tea in the summer term;
- Asking The Friends for support;
- Writing a bid to the Philological Foundation.

You can help us by:

- Checking on Parentpay and making a full payment;
- Making a part payment payment.

The school makes no profit from this trip – we **ALWAYS** subsidise the cost. The trip is very special and is an experience your child will never forget.

Did you know that Yrs 3-5 are also set up on Parentpay so you can begin to make payments and spread the cost?

Philippines volcano eruption

Lola & Amber

In the Philippines thousands had to evacuate their homes yesterday because of a volcano eruption in Taal.

"Taal volcano entered a period of intense unrest... that progressed into magmatic eruption at 02:49 to 04:28... this is characterised by weak lava fountaining accompa-

No one has died or been seriously injured yet but people are still in danger. Ash fell on several areas nearby with residents advised to wear masks. One resident in Manila said shops had begun to run out of masks. We all hope the best for the Philippines.
