

## Learning from Home - Year 4

### **English - NEW!**

As the writing resources were not uploaded until today (Thursday 26<sup>th</sup> March,) please complete your stories over the next week. If you've already done this, you could choose from one of the following tasks:

- **Imagine you are a soldier that has survived the attack from Grendel, write a diary entry from their perspective.** Why were you asked to be on watch? What could you hear? What were you feeling? When did you first see Grendel? What did everyone else say / do? What did you want to do? What happened to Heorot? What did you do? What did Beowulf do? Continue on your own!
- **Write a news report of the tragedy at Heorot.** What happened? What, where, who, why, how, when. Interview some people involved. What was the damage? What do the Danes plan to do next? Think about how to lay out a news report in a newspaper.

Watch and discuss stories on the Story Spinner website.

Read every day for half an hour.

### **Maths - NEW!**

Find and open the Week 2 resources tab for this week's learning (continuing work on tenths and hundredths.)

Practise times tables using Times Tables Rockstars! TTRS is ideal for learning times tables as it not only teaches the multiplication facts, but also the related division facts. It tracks which times tables you are having trouble with and will take you through them individually. It is great. Use it!

Hit the Button will help children practise a range of Maths skills

### **RE - Continue**

Find out about Holy Communion.

- What is Holy Communion?
- Watch the video of the Last Supper: [https://www.youtube.com/watch?v=vScHI\\_fxJGM](https://www.youtube.com/watch?v=vScHI_fxJGM)
- Find out what happens at the service
- Why are bread and wine used?
- Draw a picture of The Last Supper painting - Discuss what you can see
- Create a poster about Holy Communion

### **Science - NEW!**

Continuing our work on Electricity, here is BBC Bitesize's overview of the subject. There are lots of videos and activities here:

<https://www.bbc.co.uk/bitesize/topics/z2882hv>

Once you've done this, you'll be ready to create a poster all about Electricity!

Your headings could include:

- Electricity uses
- Dangers
- Circuits
- Insulators and conductors
- Power!

### **Topic - NEW!**

Read through and complete the tasks about Anglo-Saxon laws. The PowerPoint will also be uploaded.

### **Art - NEW!**

This looks like a really fun activity. If you look at some Anglo-Saxon text, such as in the elegant Bibles that were created, you will see 'Illuminated Letters', those big bold first letters that are creatively embellished. Have a go at writing your name using them!

### **DT - NEW!**

Create an eggmobile or an Easter bonnet!

Rules are being put on the website. Please let me know if they aren't!

### **Music - Continue**

Continue to practise your instruments.

### **French - Continue**

Have a look at some of the French resources on the BBC Bitesize website:

<https://www.bbc.co.uk/bitesize/topics/zfgqxb/resources/1>

Email me with some of the work that you've done, so that I can see what're you're learning about at home!
