PROJECT!

Our Summer term topic is called 'The Places People Go'.

Create a project about **a location (place) of your choice**. Find out facts about the place using the internet, books and/or your own knowledge. Include photos and/or drawings if you like. Get creative and present it in any way you like!

You could:

- Make a model of a place
- Write a fact sheet about it, like a poster
- Make a book (a tourist guide, travel journal or a leaflet)
- Make a film about the place (like a documentary, travel show or news report)

It can be a country, city, continent OR a more general type of place ie the beach, the town, the countryside, an island, rainforest etc. Have fun! Email it to us if you like when you are done- we would love to see your ideas.

ART and DT IDEAS

EGGMOBILES- Can you make one at home? The idea is to make a device that will transport a boiled egg as far as possible. You can roll it down a slope or use batteries. Once it has been released, you can't push or pull it. Past ideas have involved rubber bands, toilet roll tubes, tin cans, CD cases and catapults. Perhaps someone else in your family can make one and you can have a race! 😊

EASTER BONNETS- Make an Easter bonnet. The more outrageous the better! There are lots of ideas on websites like Pinterest, eg: <https://www.pinterest.co.uk/eleanorrichards/easter-bonnet-ideas/>

**We welcome and would love to see any photos or videos of work or performances or emails from the children. We will always respond, even throughout the holidays. Please remember that these are ideas if you need things to keep the children busy- it is their holiday time so no pressure!
Have lots of fun!**
