Dear Parents and Carers,

Staffing Update

Following the resignation deadline of the 31st May I can inform you that two teachers will be leaving us in July.

Daniela Rader

Daniela is leaving us as she has been promoted to the role of Deputy Headteacher at a school in Hackney. Although we will all miss Daniela enormously, after eleven years at Kentish Town, she is truly ready for this next step in her career. Daniela's contribution to our school has been enormous and she has grown as both a teacher and a leader in recent years. We will say a huge thank you and farewell at an assembly in July.

Ellise Kelly

Ellise is leaving us to take up a post at a school in Haringey after five years in our school which have seen her develop her skills and expertise and in the process become a fine teacher. We wish Ellise good luck in her new role and will say goodbye at a farewell assembly in July.

I think it is important to let you know that I have never known the recruitment of teachers to be so difficult. Housing costs and a range of other considerations seem to be discouraging young graduates from coming into teaching at the moment. However, I have successfully recruited for our vacancies and we welcome:

Jonny Chapman

Jonny joins us from a school near Brighton. He has a specialism in drama and humanities (geography and history).

Chris Fossey

Chris joins us from a school in Haringey. He has a particular interest in maths.

The children and parents and carers will have the chance to meet our new teachers on Monday 9th July when they will both be in school for the day.

Ed Taylor has been appointed as Assistant Headteacher from September. He will share his class with Flora Grant in order to give him time to work on this new role.

With best wishes,

James Humphries
Headteacher

More information will be coming home soon but there will be an option to pay online or at local pay points using a bar code.

Kentish Town C of E Summer Club 2018.

Every summer holidays we run a summer club for the children, their siblings and other family members (**by agreement with Lorraine**). This, as many of you already know, is run by the after-school clubs team during the first 2 weeks of the summer holidays.

We offer a range of activities, such as Arts & Crafts, Cooking, Sports, Dance, Face-painting, Wet Play and Free Play, to name a few. The children really enjoy summer club, it gives them a chance to play with their friends in a safe space, in a setting they are familiar with and with staff they know and trust. It also gives parents and carers peace of mind, knowing their children are well cared for by experienced, caring Kentish Town staff.

This year club will run for the first 2 weeks of the summer holidays.

Dates Week 1: Monday 23rd July 2018 - Friday 27th July 2018

Week 2: Monday 30th July 2018- Friday 3rd August 2018

Times: 8.30am-4.30pm

Cost: £25.00 per day

A packed lunch will be needed every day. Breakfast and snacks will be provided.

Registration letters will be going out this Thursday, so please look out for them. To secure a place we will require a 50% deposit, payable by June 18th.

KTS/UCS Day – Monday 25th June

Each year, University College School (UCS) partners with Kentish Town CE Primary School for a day of fun and learning. KS2 children travel to UCS school in Hampstead for a day of sports, science, DT and swimming. For EYFS and KS1, we welcome Year 13s to Kentish Town, and organise our own day of art, science and DT.

This year, to celebrate 100 years of the women's vote, we will be learning about Great Women who changed the World. This theme will be the focus at both sites.

For Year 3 – 6, children will need a swimming kit (costume/shorts, towel and hat) and should come in PE kits. They will travel to UCS by overground train and return to school at 4.30pm. Children will be provided with lunch at UCS, however, they should bring a bottle of water, and a hat/sun cream if the weather is hot.

For Nursery – Year 2, we will be basing our learning on the book - **Fantastically Great Women who Changed the World** by **Kate Pankhurst**. Children will be provided with lunch at school, however, they should bring a bottle of water, and a hat/sun cream if the weather is hot.

We will learn about:

Amelia Earhart - the first female aviator to fly solo across the Atlantic Ocean,

Frida Kahlo – very famous Mexican painter

Mary Anning – one of the first fossil hunters, who helped prove the world was millions and millions of years old

Agent Fifi – Marie Christine Chilver was a student in France who was captured during WW2 and sent to a prison camp. She managed to escape and the government were so impressed by how daring she was and gave her a secret identity and she became a spy.

Coco Chanel – fashion and perfume designer

It is a fantastic day and we will all have great fun!
