

Hi Ash Class,

These tasks are optional! Do as many or as few as you wish to keep yourselves busy and entertained. (Please keep up the reading though!)

I welcome and would love to see any photos or videos of work or performances or emails from the children. I will always respond, even throughout the holidays. Have lots of fun!

Email: i.debnam@kentishtown.camden.sch.uk

English

The little angel theatre has lots of stories and crafts which are connected to them. You could try and retell the story with props you make!

<https://littleangeltheatre.com/schools-and-community/at-home-resources/>

Continue to read and use phonics play games (phase 5) to help practise phonics skills.

Maths

If you wish to continue with the maths WhiteRose is continuing to update weekly over the easter break!

<https://whiterosemaths.com/homelearning/year-1/>

Otherwise – it may be a good idea to continue playing on numbots – please email if you need to re-find your login.

Topic

Ash class' summer term topic is going to be fabulous food!

You could do some taste tests to think about different flavours and try something new. If you're feeling particularly brave they could even be blindfolded taste tests!

<https://createplaytravel.com/kids/food-taste-test-kids-activity/>

Easter

If you haven't already you could make an easter bonnet or egg-mobile.

Why not have a scavenger hunt for a chocolate prize?

You could either set one up using ideas from the website below, which will be a lot of reading and thinking for the children and or involve the children in writing clues for a sibling or someone else in the family!
