Issue 15: 22nd March 2022

Dear Parents and Carers,

Covid Update.

Cases in the community continue to rise. Currently both James and Emma are both off after testing positive and we wish them both a speedy recovery. Currently there are no mandatory restrictions in place. There are a number of upcoming school events. If you have access to Lateral Flow Tests, we would appreciate if you could test before attending any of these events in order to protect, children, staff and other parents. These results do **not** need to be reported to the school. You are also welcome to wear a mask but this is not mandatory.

Easter Dates.

Please be aware of the forthcoming dates as we enter the final week of term. These may have changed from previous dates sent out.
