

# Christmas with the Aliens

## Song 1: WHERE AM I?

*Solo*

Where am I?

Where have we landed?

Where am I?

I think we're stranded

Where am I?

It's not like home at all.

Where am I?

It's not familiar.

Where am I?

It's quite peculiar.

Where am I?

It's not like home at all.

I've never heard of a planet like this.

Who's ever heard of a planet like this?

We have come from outer space

To discover the human race,

And it's not like home at all!

Let's explore

Take in the scenery

See the sights,

Do you agree with me?

Seems a shame to rush back home

Now we're here.

Let's pretend

That it's a holiday

It's ages since

We had some time away

Seems a shame to rush back home

Now we're here.

I've never heard of a planet like this.

Who's ever heard of a planet like this?

We have come from outer space

To discover the human race,

And it's not like home

And it's not like home at all!

### **Song 2: WELL I NEVER!**

Well I never, have you ever

Heard such exciting news

Well I never, have you ever

Who would have thought He'd choose?

X2

Mary, He's chosen Mary,

Mary the special one

Mary. He's chosen Mary

To be the mother of His Son.

Well I never, have you ever

Heard such exciting news?

An angel told her,

Tapped her on the shoulder,

"God has chosen you." X2

Mary, He's chosen Mary,

Mary the special one

Mary, He's chosen Mary,

To be the mother of His Son.

Well I never, have you ever

Heard such exciting news?

Well I never, have you ever

Who would have thought He'd choose? X2

Mary, He's chosen Mary,  
Mary the special one  
Mary. He's chosen Mary  
To be the mother of His Son.

### **Song 3: COME ON, ARE YOU READY?**

Come on, are you ready?  
I know the bags are heavy  
But we've got to go to Bethlehem.  
Come on, are you ready?  
I know the bags are heavy  
But we've got to get to Bethlehem.

Come on, come on  
Let's go, let's go  
We've got to walk a long, long way  
No time, no time  
To lose, to lose,  
We've got to find a place to stay.

Come on, let's get walkin'  
We'll have to save the talkin',  
We've got to go to Bethlehem.  
Come on, let's get walkin'  
We'll have to save the talkin',  
We've got to get to Bethlehem.

Come on, come on  
Let's go, let's go  
We've got to walk a long, long way  
No time, no time  
To lose, to lose,  
We've got to find a place to stay.

Come on will you speed up?  
No time to put your feet up!  
We've got to get to Bethlehem.  
Come on will you speed up?  
No time to put your feet up!  
We've got to get to Bethlehem.  
Come on, come on  
Let's go, let's go  
We've got to walk a long, long way.  
No time, no time  
To lose, to lose,  
We've got to find a place to stay.

#### **Song 4: JUST A LITTLE BIT OF ROOM**

Have you got room, just a little bit of room?  
We're looking for a place to stay.  
Have you got room, just a little bit of room?  
We promise not to get in your way!

We don't need a fancy hotel,  
We won't make a fuss.  
All we want is a little bit of room,  
A little bit of room for us!

Have you got room, just a little bit of room?  
We're looking for a place to stay.  
Have you got room, just a little bit of room?  
We promise not to get in your way!

We don't need breakfast in bed,  
We'll be the perfect guests  
All we want is a little bit of room,  
A little bit of room to rest.

Have you got room, just a little bit of room?  
We're looking for a place to stay.  
Have you got room, just a little bit of room?  
We promise not to get in your way!

We don't need a room with a view,  
We don't expect to choose.  
All we want is a little bit of room,  
A little bit of room to snooze.

Have you got room, just a little bit of room?  
We're looking for a place to stay.  
Have you got room, just a little bit of room?  
We promise not to get in your way!

### **Song 5: WHEN THE ANGELS CAME**

We were just looking after the sheep  
When the angels came,  
When the angels came,  
To tell you the truth  
We had fallen off the sheep,  
When the angels came,  
When the angels came.

Wake up, they sang,  
So merry and bright,  
Filling the sky with their shining light.  
Wake up, they sang,  
It will be alright  
For the Saviour is born tonight!

We ran till we got the stable bare  
When the angels came,  
When angels came.

We rubbed our eyes  
When we saw Him lying there,  
When the angels came,  
When the angels came.

Wake up, they sang,  
So merry and bright,  
Filling the sky with their shining light.  
Wake up, they sang,  
It will be alright  
For the Saviour is born tonight!

### **Song 6: WE THREE KINGS**

*Solo*

We three kings,  
Here to see the baby,  
Travelling far,  
Following the star.  
We three kings,  
Here to see the baby,  
The baby who's King of the world.

Gold I bring,  
Gold for the baby.  
Gold I bring,  
Gold for the King.

We three kings,  
Here to see the baby,  
Travelling far,  
Following the star.  
We three kings,  
Here to see the baby,  
The baby who's King of the world.

Myrrh I bring,  
Myrrh for the baby.  
Myrrh I bring,  
Myrrh for the King.

We three kings,  
Here to see the baby,  
Travelling far,  
Following the star.  
We three kings,  
Here to see the baby,  
The baby who's King of the world.

Incense I bring,  
Incense for the baby.  
Incense I bring,  
Incense for the King.

We three kings,  
Here to see the baby,  
Travelling far,  
Following the star.  
We three kings,  
Here to see the baby,  
The baby who's King of the world.

### **Song 7: A STAR KEPT SHINING**

A star kept shining  
On that special night,  
A star kept shining  
With its special light.  
A star kept shining  
Over the stable bare,  
A star kept shining

On all who gathered there.

Shine on kings and shepherds,  
Shine your special light,  
Shine on kings and shepherds  
Shine on through the night.

A star kept shining  
On that special night,  
A star kept shining  
With its special light.  
A star kept shining  
Over the stable bare,  
A star kept shining  
On all who gathered there.

Shine on gentle Mary,  
Shine your special light,  
Shine on caring Joseph,  
Shine on through the night.

A star kept shining  
On that special night,  
A star kept shining  
With its special light.  
A star kept shining  
Over the stable bare,  
A star kept shining  
On all who gathered there.

Shine on baby Jesus,  
Shine your special light,  
Shine on baby Jesus,  
Shine on through the night.

A star kept shining  
On that special night,

A star kept shining  
With its special light.  
A star kept shining  
Over the stable bare,  
A star kept shining  
On all who gathered there.

### **Song 8: LET THE UNIVERSE KNOW HIS NAME**

We want to tell the universe the good news,  
The good news  
We want to tell the universe that Jesus Christ was born.  
Every star will twinkle with the knowledge  
That a king is born today.  
He lights the world up,  
He lights the world up  
Let the universe know His name.

We want to tell the universe is Christmas,  
It's Christmas  
We want to tell the universe how Christmas all began.  
Every face will twinkle with the knowledge  
That a king is born today.  
He lights my world up,  
He lights my world up  
Let the universe know His name.
