Issue 10 : 06th February 2026

Dear Parents and Carers,

We have had a fantastic, busy week here at Kentish Town.

On Tuesday, Willow Class were visited by the [Camden Learning Center \(CLC\)](#) and they took part in a workshop which focused on Robot Algorithms.

On Wednesday, we had the Willow Class Tea which raised a whopping £180 which will go towards funding something which the children will really enjoy.

On Thursday, Sycamore Class went to the British Museum where they explored the Anglo-Saxons artefacts, many of which are part of the Sutton Hoo treasures. This helped to deepen the children's knowledge and helped to answer their 'Big Enquiry Question' of Who Came and Went During the Dark Ages?

On Friday, Beech Class also visited the British Museum where they explored the Ancient Greek artefacts as part of their learning and to support them in answering their 'Big Enquiry Question' of Why do we still learn about Ancient Greece in the Twenty-First Century? We also had the fantastic Willow Class Assembly which involved lots of facts, lots of drama and some amazing singing all about the Great Fire of London. Well done Willow Class! We also celebrated Number Day to support the NSPCC—there were so many incredible costumes and thank you for all of your donations.

## Challenge Partners.

Next week, Wednesday—Friday, we are holding our [Challenge Partners](#) Quality Assurance Review. This will involve three external reviewers coming to our school and taking part in learning explorations, looking at our school's internal data and interacting with our staff and pupils. This is a good chance for us to reflect on our own practice and receive feedback on what is going well in our school and to see if there is anything which we can improve. It is a fantastic process and we are really committed to the work which we do with Challenge Partners.

## Friends Auction.

As you know, The Friends of KTS Auction will be held on Thurs 26th March at 7pm. This is the first time this event will have been held in 7 years! It's a really special event and big fundraiser for the school. The Friends of KTS are asking for any help with regard to donations and there is more information about this later in the newsletter.

## Half Term Holiday.

A reminder that school breaks up for the Half Term holiday next Friday 13th February and the children return to school on Monday 23rd February. We hope you all have a restful and enjoyable break.

## Attendance.

A plea once again, to all parents to ensure that their children attend school unless it is absolutely necessary that they miss school. Our attendance is the lowest it has ever been (93%) and is one of the worst in Camden. Not attending school has a significant impact on a child's educational progress. Please support us and your children to ensure they attend as much as possible.

Best wishes,

Grant Jacobson- Headteacher
