World Book Day

An absolutely incredible effort this year to celebrate the joy of reading. Thank you to all the parents, staff and children for making this such a joyous occasion. Please see the school’s Instagram account (@KentishTownCE) for pictures of all the costumes.

Yesterday, Arlo in Beech class and myself also had the privilege of taking part in a live World Book Day quiz on Heart FM with Amanda Holden and Jamie Theakston. We managed to get all the questions correct and have won 60 books for the school library!

Egg Mobiles/ Easter Hat Parade

Please join us for a day of Easter fun on Tuesday 24th March. Children will be racing their Egg Mobiles in the morning and showing off their Easter hats in the afternoon. Expect lots of dancing and excitement! All are welcome.

Air Pollution

Air pollution in London is forecast to be higher than normal and could reach “moderate” status.

We have been asked to notify parents and encourage children to use less polluting modes of transport to get to school such as walking, cycling or using public transport. Use quieter roads where possible.

Defra advises that children need **not** be kept from school or prevented from taking part in games. However, during high air pollution episodes, those with cardiac or respiratory conditions may need to reduce vigorous physical activity, particularly outdoors and particularly if they experience coughing, wheezing, shortness of breath or worsening of existing heart and lung conditions.

For children with asthma, extra attention should be given to ensure they take their preventer inhaler or controller medications every day as prescribed and have immediate access to their reliever inhalers if symptoms come on.

Local Elections

These will be held on Thursday the 7th May. As the school is polling station, the school will be **closed** this day.

Best wishes,
Grant Jacobson—Headteacher
