Summer Term 2026

Dear Parent/Carers,

As we are approaching the end of the spring term you will need to register for clubs for the summer term. All clubs will be available on parent pay at the end of term. Please refer to the timetable as some clubs have changed.

Please note club start dates are on the payment item when registering. Please take note some clubs start the second week of term

Some clubs have limited spaces so please ensure you have registered to avoid disappointment. (Children must be registered to attend)

A reminder that children should be collected at 4.30 or 5.30. Adults will bring children to the main gate at these times. This works really well and ensures the playground is adequately supervised.

If you do need to collect children early please give advance notice when possible.

We have a number of unpaid club payments therefore outstanding club payments **must** be paid before registering and attending clubs in the summer term.

Thank you for your cooperation and understanding. We look forward to an exciting new term!!

Activity Club: daily from 3.30 to 4.30 or 5.30

Breakfast Club: 8am daily

For Nursery to Year 6 children.

If your child is currently registered for these two clubs, there is no need to register again for the summer term,

Should you require a daily drop in or wish to make a new registration or amend an existing one, please contact me via email. s.mcgran@kentishtown.camden.sch.uk

These two clubs will run each day and will start as soon as the children return to school. **Tuesday 14th April 2026.**

If your child requires additional support in any clubs, please contact me via email giving as much notice as possible so that I can guarantee adequate staffing to support.

Registration for these clubs will be via email and will be added to parent pay weekly.

Summer Club

As the summer term approaches we start to think about the summer holidays and our annual summer club!

We are always excited about the opportunity to provide a fantastic experience for our children.

We heavily rely on funding in order to run summer club and are currently awaiting confirmation on funding details.

As soon as these are finalized, I will reach out to all parents and carers to provide the necessary information.

I look forward to sharing more with you soon.
