Dear Parents and Carers,

A bumper edition today! Please see the following pages for all the events coming up in our community.

Run Kids Run

The support for this has been overwhelming! We currently have 153 runners which is our highest ever! We will be providing KTS shirts for all runners. Registration opens at 10:30 and the first race is at 11:30. Please see the map of the area which shows where you need to register on the next page. The event is due to finish about 12:30. If you haven't managed to sign up, you can just turn up and register on the day or use the link below. **Please note that all children must be accompanied by a parent or carer.**

There is still time to sponsor the children for the run. Please use the QR code below to do this.

This year's Run Kids Run event is joining forces with the non-profit **Celebration Day** initiative, which is preparing for its annual day of remembrance on Monday 25th May. The initiative set up in 2022, encourages people stop for one day to mark the memory of the people who made us who we are, and who continue to inspire us.

The campaign **#WearTheirName** will invite all our runners to write the name of a loved one, a historical figure or contemporary hero who they would like to celebrate during their running challenge.

Once parents and children collect their running bibs, they can head to the Celebration Day table (in the registration area), where they will have plenty of markers to add their celebration day name on their bibs. If they want to write a name, we suggest they do not stick the running bib on straight away. The self-adhesive bibs will have a blank space under the number to write the name.

I look forward to seeing you there!

Best wishes,

Grant Jacobson

RUN KING'S CROSS

CELEBRATION DAY: #WEARTHEIRNAME

Celebration Day is proud to partner with:

Once a year, Celebration Day gives us a moment to pause, remember, and honour someone who helped shape who we are today.

On 17th May, we're inviting everyone — children, families, and all — to run in honour of someone special by writing their name on their running bib.

After you register, we'll be there to help you write your bib and become part of the initiative.

You can remember anyone who means something to you: a grandparent, a pet, a friend, someone no longer with us who you'd like to celebrate.

RUN KINGS CROSS RUN:
#WEARTHEIRNAME

I love how we're a patchwork of every single person we've met, and every single person we've loved. Even if people die, they remain part of our fabric, our internal world. We need to stop in this crazy world, and have permission to stop — a day in which we can invoke them, and remember them, and let them live again through us.
