Dear Parents and Carers,

Marcia:

Marcia will be leaving us at Christmas time to explore new avenues and adventures as she heads back to complete further studies in therapeutic work with children.

Marcia has been with us for the past 13 years and has been an integral part of our school, especially the resourced provision for children with Autism. Her contribution to our school has been immense and she has supported so many families over this time. Marcia is also an incredibly fun colleague who brings a smile where ever she goes.

We will truly miss her presence in our school and I hope that you will join me in giving her a tremendous send off. Details of a collection will be sent round, if you would like to contribute.
